

***Looking for a Fun and Unique Party Idea?
HOST A PSYCHIC PARTY!
Hosts Receive a Free Psychic Reading!***

Hosting a Psychic Party in your home is a unique, illuminating and memorable way to spend time with family, friends or co-workers! Also a wonderful idea for your Special Event: Birthday Party, Bridal or Baby Shower, Graduation Party, Anniversary Party, Divorce Party, Neighborhood Party, Bar or Bat Mitzvah, Holiday Party, Girls Night Out... you name it! Your guests will love the event and talk about it for a long time to come.

All you need is a minimum number of 6 guests to make it happen...and, as the host, you will receive a FREE Reading as my way of saying "thank you." Each guest will receive a private Psychic Reading in a quiet room or setting, removed from the rest of the gathering. \$50.00 per guest includes a chance to get to know more about me - how I started, and the different ways I have worked with clients, people on the other side, pets, and much more!
